

OPEN DOOR CHRISTIAN SCHOOL EXECUTIVE BOARD MEETING MINUTES

SEPTEMBER 11, 2023

Classroom safety compliance report given by Travis Kunkel and Pastor Cliff Ozmun. Results of BCCS's findings discussed. All of the Open Door School facilities have passed the fire inspection by the City of Graham for the 2023-24 year. The desire of the church and school is to meet and exceed the best safety and security practices for the teachers and students of Open Door. A suggestion made by the Oak Street Baptist Church Elder body is for an Open Door School Board member to work with a committee from Oak Street Baptist Church to correct the safety issues found by BCCS. It was also suggested that the corrections of these issues be addressed by the beginning of 2024.

Discussion of tuition assistance that had been paid for a student who withdrew. The donor wishes to give the remainder of the tuition assistance as a donation to Open Door.

Executive session adjourned to go back into Open session.
