Tiffany presents an update for the application for funding from the Perry foundation. William and Tiffany have filled out several sections and would like to get approval from the board of what they have completed. Verification for 501c3 is needed...ours is through Oak Street Baptist Church, under the Charter of the Southern Baptist Convention in 1964. Need several attachments that will need to be gathered with help of the office staff: 2 years of Financial Statements, Budget Narrative/Program Sustainability, Staff Names and Positions, Board Authorization/resolution.
