## FOUNDATIONAL ELEMENTS

**School History:** Open Door Christian School (ODCS), originally First Street Christian School, was founded in 1986 by Linda Pippin. Mrs. Pippin started the school to meet a need of teaching her young daughter through a Biblical perspective and never intended for it to be more than a one room classroom; however, God had another plan.

As the small school continued to grow and the board faithfully prayed over it, the words “open door” kept being uttered. In 1989 the school’s name changed to Open Door Christian School.

In August of 2000, Open Door Christian School became an official ministry of Oak Street Baptist Church due to the vision and God’s guidance of those on the long-range planning committee.

Open Door did not grow without experiencing many obstacles and adversities that shut the doors of most Christian Schools. Yet, God’s favor is with the school and it continues to flourish.

**Vision:** Our vision at ODCS is to graduate students who are prepared to fulfill the Great Commission.

**Mission Statement:** Our mission is to provide a Christ-centered education which cultivates a relationship with God and equips students to fulfill his purpose.

**Our Philosophy:** ODCS believes a well-rounded education can only be accomplished by teaching students that God encompasses every aspect of life. This biblical worldview helps them see the world as God sees the world and enables them to reclaim the world for Christ.

The educational process is seen as a tool used by the Holy Spirit to bring the student into a right relationship with God, produce God’s wisdom in him, and equip him to fulfill God’s purpose for his life.

As the student participates in this process, he should begin to expand his understanding of his own abilities, skills, and character qualities. The student should see himself as an integral and important part of his family, school, church, and society. The establishing of life goals and careers should be an outgrowth of a strong spiritual and academic foundation.

This process should involve parents and teachers who demonstrate the power of Christ to transform lives. By delegated parental authority, Open Door Christian School is a partner in training and educating children.

## CORE VALUES

At Open Door Christian School, we are dedicated to cultivating loving, serving, and thinking students through a Christian education with a Biblical worldview. Our commitment to these values is at the heart of everything we do. We believe that education is not just about acquiring knowledge, but also about developing Biblical virtues and a deep understanding of our place in the world. These virtues guide our approach to education and prepare our students to become responsible, engaged, and successful members of society who make an eternal difference.

**Prudence-** Demonstrating honesty, wisdom, integrity and humility. Prudence is having sound judgment and making sound choices. It is about being thoughtful and is developed through the habits of attention, wisdom and remembering. Proverbs 11:3, 2 Corinthians 8:21, Philippians 4:8

**Temperance-** Demonstrating order, courtesy, self-control, patience, and obedience. Temperance is about mastering ourselves for the sake and happiness of those around us. It is about acting the right way at the

right time and is developed through the habits of self-control, patience, and excellence. Galatians 5:22-24, 2 Peter 1:5-6, Titus 2:12

Justice- Demonstrating respect, friendship, generosity, kindness and fairness. Justice is about treating others with respect and taking responsibility for their well-being. Justice is developed through the habits of courtesy, fairness, and gratitude. Micah 6:8, Isaiah 1:17, Psalm 106:3

Fortitude- Demonstrating courage, optimism, good citizenship, loyalty, and grit. Fortitude is about having the courage to face challenges, maintaining effort and interest over time despite setbacks and adversity. Fortitude is developed through the habits of grit, courage, and joyfulness. Romans 5:3-5, James 1:12, Galatians 6:9, James 1:2-4, Hebrews 12:1

### **Mission Verse:**

*“And now, just as you accepted Christ Jesus as your Lord, you must continue to follow him. Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness. Don’t let anyone capture you with empty philosophies and high-sounding nonsense that come from human thinking and from the spiritual powers of this world, rather than from Christ. **9** For in Christ lives all the fullness of God in a human body. **10** So you also are complete through your union with Christ, who is the head over every ruler and authority.”*

*Colossians 2: 6-10*

This verse emphasizes the importance of rooting our faith in Christ and growing in His truth. This will enable us to have discernment as we face the world and live our lives in the fullness that God desires for us.

### **Statement of Faith:**

Open Door Christian School is a ministry of Oak Street Baptist Church (OSBC). Below is a statement of beliefs from OSBC:

Our foundational beliefs include but are not limited to:

A. The Bible is the infallible and inspired Word of God. God is its author and it is truth without any mixture of error. Its intended purpose is to reveal God’s plan of redemption and salvation for mankind through His Son, Jesus Christ.

B. God is the Supreme Creator, Redeemer, and Ruler of the universe. He is the eternal, triune God – God the Father, God the Son, and God the Holy Spirit.

C. Jesus Christ, God’s Son and God the Son, fully God and fully man, was born of a virgin, lived a perfect, sinless life, died on a cross for the sins of mankind, rose from the dead on the third day, and ascended to heaven where He lives and makes intercession for His bride, the Church. Salvation for every human being is found only in trusting the person of Jesus Christ and His finished work on the cross. One day, Christ will return for all who belong to Him.

D. The Holy Spirit is the invisible presence of God who convicts of sin and calls people to Christ. He lives in every true believer and gives power to live the victorious Christian life.

E. The Church includes all the redeemed of all ages. The local church is an autonomous, self-governing body of believers – operating under the lordship of Christ through democratic processes. The pastor, elders, ministry staff, deacons, committees, ministry teams, and lay leaders are selected by the church body to lead the church.

F. Salvation is the grace-filled work of God to completely save a human being for Himself. It involves turning from sin to God and faith in Christ. Salvation includes the process of conversion, sanctification, and glorification.

G. Oak Street Baptist Church agrees with the doctrinal statements in [The Baptist Faith and Message](#) as adopted by the Southern Baptist Convention, but considers the Bible as the ultimate document of faith and practice.

This Statement of Faith does not exhaust the extent of our religious beliefs. The Bible, as the inspired and infallible Word of God, speaks with final authority concerning truth, morality, and the proper conduct of human affairs. For purposes of the organization's faith, doctrine, practice, discipline, and policy, the Board of Directors and leadership at OSBC are the organization's final interpretive authority on the Bible's meaning and application.

## ENROLLMENT

Enrollment plays a critical role in the culture and traditions of ODCS by cultivating and transmitting shared ideals and beliefs in our community. ODCS reserves the right to discipline or ask a student to withdraw for any reason, including failure to abide by ODCS' Statement of Faith or other policies. Failure to comply with school policies may subject the student to disciplinary action, up to and including expulsion.

**Enrollment:** All current ODCS students are eligible for re-enrollment once enrollment begins. Current ODCS families will receive early enrollment opportunities at a discounted rate, TBD. The following guidelines are implemented in the admissions process:

- Students who are not in good standing with the institution in which they are presently and/or previously enrolled, high school students who do not wish to attend ODCS, or students whose academic, psychological, or physical needs cannot be met are normally not eligible for enrollment.
- Students accepted in sixth through twelfth grade are required to accompany their parents to the interview; kindergarten through fifth-grade applicants are welcome but are not required to attend.
- All students, regardless of age, must reside with a parent or legal guardian. Students cannot enroll themselves.
- New families may have a checkup to evaluate academic, spiritual, and social successes.
- To fully develop students academically and spiritually, ODCS does not support skipping grade levels.
- ODCS admits qualified students, considered capable of successfully completing the material designed for the grade level.

**Students with Disabilities:** ODCS strives to educate as many students as possible, however, if resources are unavailable to meet the needs of children with certain medical conditions and learning disabilities, it is the parent's responsibility to seek help as necessary from outside services to ensure the student does not fall behind academically. ODCS cannot meet every academic need..

**Required Admissions Policy:** Open Door Christian School admits qualified students\* of any race, color, biological gender, or ethnic origin to all rights, privileges, programs, and activities. In addition, the school does not discriminate based on race, color, biological gender, or ethnic origin in the administration of any or all educational/co-curricular policies. We believe that:

- God has redeemed for Himself through the blood of His Son, people "out of every tribe and tongue and people and nation;" (Rev. 5:9).
- The Gospel of Jesus Christ is "good news" to the poor, the brokenhearted, the captives, the blind, and the oppressed; (Luke 4:18).
- unity in diversity is rooted in the character and nature of God and is a creational norm. (Gen. 1–11).
- God wonderfully foreordained and immutably created each person as either male or female in conformity with their biological sex. These two distinct yet complementary genders together reflect the image and nature of God (Genesis 1:26-27).

*\*Qualified students are capable of successfully completing the material designed for their grade level and who exhibit evidence of supporting our mission, vision, and policy statements.*

## PARENTAL INVOLVEMENT

**Parent Partnership:** Parental involvement is a critical component of success at ODCS. Lions Athletic Club is a parent organization that exists to encourage partnership with parents. Contact the administration for information about ways to volunteer.

**Volunteers:** ODCS requires certain potential volunteers to submit to a background check, such as anyone supervising students.

**Communication and Conferences:** Parents should make appointments for teacher/administration conferences. Teachers may not be available for drop-in visits. Any questions concerning classroom work, conduct, or any other student concerns should be handled first by the appropriate classroom teacher.

**Gifts to the ODCS:** ODCS is dependent upon parents and friends financially supporting the ministry of the school. Tuition and fees do not fully fund the educational programs, and the school must solicit additional gifts annually. All appropriate gifts are tax-deductible as ODCS is a non-profit 501(c)(3) corporation.

**Lionsgiving Letters:** The Lionsgiving Letter campaign is a great way for family and friends to support Kingdom Education. Many people will support Kingdom work if they know the stories of lives being touched by the gospel. This student-led letter writing campaign is one of two official opportunities to partner with ODCS, utilized annually to further our Kingdom work. These funds are used for the function of the school and intended to improve student projects and to improve, enhance, and grow the student experience.

## CONFLICT RESOLUTION

ODCS students, parents, grandparents, faculty, and staff are expected to respond to conflicts in accordance with Biblical principles with the ultimate goal of maintaining or re-establishing relationships and a Godly culture in the ODCS community. When a conflict arises, the first step is the most crucial at which most conflicts are resolved and involves going directly to the offending party personally with a desire for resolution and reconciliation (Matthew 18:15). If the matter is not resolved in that conversation, the second step is to go again to the offending party and the principal. Finally, if the matter continues unresolved, it should be taken to the ODCS School Board. (Matthew 18:16-17)

All members of the ODCS community are expected to follow the designated chain of command: staff/faculty, principal, school board.

The process of conflict resolution is focused on restoring relationships between brothers and sisters in Christ. With the goal of reconciliation, matters of conflict should be handled discreetly. Most disputes are centered on misunderstandings and can be resolved with one courageous act of an individual to bring the dispute to the table for discussion. Such confrontation should not be adversarial, even when difficult, which is a clear expectation of the Lord for his children.

Parents are expected to support the educators who work with their children. Such support includes regular prayer, reinforcement of the God-given authority of the educators in their assigned roles, extending grace and patience when expectations are not in alignment with perceptions or reality, and maintaining clear, kind communication with these teachers who are committed to serving the Lord by serving children. Parents should especially seek to support educators new to ODCS as they learn and grow in the ODCS policies, procedures, and culture. When questions or concerns arise, parents are expected to speak directly with educators involved in the spirit of partnership. An overly critical spirit leads to unhealthy relationships and often sinful communication. Speaking with others not directly involved in a matter results in gossip and slander.

As a private school, ODCS makes no claim to satisfy the needs of every student and family. At times, conflict can be an indication that the school program and the family/student's needs are not in alignment, and another educational option may be better suited to the family/student and healthier for the school.

### **Classroom Rules:**

The main expectation of students is to learn. In working toward the goal of learning, students are expected to heed the following general reminders.

- Always give God your best and leave excuses behind
- Come to class prepared and ready to learn
- Respect yourself and others
- Pay attention to the details

Once a student has entered a classroom, he or she should be focused on making the most of the educational opportunities of the class period. It should be apparent to the teacher and any observer that students are engaged.

Some suggestions for classroom excellence include the following:

1. Come to class on time and be prepared to learn.
2. Attend class with the proper materials.
3. Arrive in class prepared with reading and studying completed and homework assignments neat and complete, ready to be submitted in accordance with the teacher's expectations for the submission of work for grading.
4. Take care of restrooms and other personal needs between classes or at an appropriately non-disruptive time that minimizes the loss of instructional time.
5. Follow directions the first time they are given.
6. Listen attentively to lectures and other explicit instructions, take notes as expected or required by the instructor, and participate fully in discussions, classroom assignments, and other learning activities.
7. Value and respect others and their property. Contribute to the health of the classroom community by being kind and respectful of the efforts of the teacher and classmates. Do not distract others from their engagement in learning opportunities. Do not speak out of turn.
8. When corrected or re-directed by a teacher or administrator, promptly and respectfully adjust to comply with instructions. If you need an explanation or clarifying information, wait until the end of class or another appropriate time to converse privately with the teacher or administrator.
9. Stay on task at all times and do your best with every opportunity presented and challenges encountered.
10. Each teacher has specific expectations for his or her classroom. Comply thoroughly with these expectations.
11. **Students are only permitted to have water in the classroom. Sodas, tea, gatorade, etc are allowed only in common/uncarpeted areas. ENERGY DRINKS ARE STRICTLY PROHIBITED AT ODCS.**

It is the parent's responsibility to maintain the requirements. Refer to Appendix B, Texas Minimum State Vaccine Requirements for Students in K-12.

## TECHNOLOGY

ODCS recognizes technology as an integral resource in the enrichment of the learning environment; however, if not implemented properly, student use of personal electronic devices can negatively affect the classroom and impact a student's learning experience. Technology use must be in support of the curriculum and be allowed by a teacher or administrator. Technology used for medical purposes needs to be coordinated with classroom teacher(s).

Personal internet/cellular-enabled devices such as cell phones, smart watches, personal laptops and other devices, are not permitted during the school day.

- o Earbuds and headphones are not permitted during the school day unless permission is given by a teacher or administrator. This should include no earbuds before or after school, while in the building.

**Academic Integrity:** ODCS students are expected to possess a high standard of conduct and personal integrity. Please see Appendix G on Academic Integrity for ODCS' policies.

**Lunch Ordering:** ODCS offers an optional meal service with multiple local restaurants. Students and parents can log into their FACTS account to purchase lunches. Students will order their lunches in advance and pay as they order.

- May not sit on the bench with the team at competitions, contests, or performances.
- May be removed from leadership positions.

**Course Failures and Credit Recovery:**

- If a student receives a grade below 70 for the semester, class credit will not be given and the credit will have to be recovered; Credit recovery must be approved in advance and utilize an accredited program.
- Retaking a previously passed course will not replace an existing grade.
- Home-school courses are not allowed for credit recovery.

**Semester Assessments:**

- Students in grades 6, 7, and 8 (Middle School) will have semester exams in core subjects.
- Students in grades 9 - 12 (High School), and 8th-grade Algebra 1, will have semester exams in core subjects.
- Semester exams are scheduled at the beginning of each year; and early exams are not permitted.
- 10<sup>th</sup>-12<sup>th</sup> grade students who have a 93 in each quarter (not including honors points) meet ODCS' attendance requirements, no more than one detention, and no suspensions may be exempt from semester exams.

## GRADUATION

**Graduation Requirements:** The course of study at ODCS carefully balances academics with Discipleship Integration. To adequately fulfill this balanced approach, ODCS does not support completing high school in less than four years to graduate early. ODCS offers one graduation option which meets and exceeds TEA minimum requirements.

**Foundation Diploma Requirements - 22 credits**

- Meet all general graduation requirements
- Two years of foreign language or computer science

- At least five elective courses
- 1 credit of both PE/Athletics and Fine Arts

#### **Foundation Diploma with Endorsement Requirements - 26 credits**

- Meets all general graduation requirements plus an extra credit in math, science and social studies.
- Two years of foreign language or computer science
- A minimum of six elective courses that satisfy requirements in a particular endorsement area

#### **Distinguished Diploma with Endorsement - 26 credits**

- Meets all general graduation requirements plus an extra credit in math (including Alg II), science and social studies while maintaining a 90 grade point average or above in all classes.
- Four years of foreign language or computer science (in sequential order)
- A minimum of six elective courses that satisfy requirements in a particular endorsement area.

**Eligibility for Graduation:** Full participation in the graduation ceremony at ODCS is a privilege and not a right for the individual student or their parents; therefore, the privilege of fully participating in graduation ceremonies is governed by the following principles:

- Students must have successfully completed the course of study required by ODCS.
- Students must complete 12 credits on campus at ODCS and must also meet the requirements of the state of Texas for graduation.
- Transfer credits must come from an accredited school or homeschool program; Part-time students will not be eligible to receive a diploma from ODCS.
- Certification by the principal that the student followed the rules and regulations and demonstrated the philosophies, policies, and mission of the school to such a degree that the student is worthy of the privilege of being an active participant in the graduation ceremony.
- If completion of coursework is pending, students may participate but not receive their diploma.

#### **Valedictorian and Salutatorian:**

- Must be continuously enrolled at ODCS for the entire junior and senior academic years
- Determination is based on a cumulative numerical average at the end of the first semester of the senior year

## **HIGH SCHOOL TRANSFER STUDENTS**

- Students who transfer to ODCS receive credit for courses taken at accredited school(s) and the grades from those courses are counted as part of their high school cumulative average.
- Home school and other non-traditional credits will not be calculated in the numeric average or GPA; if the report card or transcript has letter grades, ODCS will assign a numeric grade according to the following scale: A = 95; B = 85; C = 75. Grades below a C are evaluated case by case.
- Transfer students may be required to take outside credits to meet ODCS graduation and/or scheduling guidelines.
- Transfer students are subject to eligibility guidelines.

## **ACADEMIC ADVISING**

The goal of Academic Advising is to assist students in their growth and development to construct meaningful educational plans. It is a continuous and consistent process that encompasses the following areas:

**Standardized Testing:** ODCS recognizes the value of standardized testing to track the academic progress of the student, the curriculum, and the faculty. Therefore, the following testing is utilized:

- **Annual Achievement Test:** Results are reported according to nationalized norms; These tests are mandatory for all ODCS students in grades K-8
- **PSAT/PreACT:** The Preliminary Scholastic Aptitude Test, in combination with the PreACT, is administered each October (when available) for students in 9th through 12th grade.

- **SAT/ACT:** Students are encouraged to take the SAT or ACT prior to the completion of their junior year.

**College Planning:** ODCS helps students prepare for their future through a four-year plan in the following ways:

- **SAT & ACT:** ODCS coordinates with students to take these tests.
- **College Fair:** College Fairs may be available to high school students
- **Scholarships:** ODCS provides scholarship information throughout the year.

**Transcripts:** ODCS develops and maintains student transcripts for diploma completion. Transcripts are provided to colleges and universities upon request and require 48 hours to process.

**College Visits, Military Enlistment, Career Interests:** All of the following must be approved by the principal at least 10 school days in advance:

- Junior and senior students may be absent for up to two days per year to visit a college or university.
- A student 17 years old or older to be absent for up to four days to pursue enlistment in the U.S. armed forces.
- Junior and senior students may be absent for up to two days per year to visit a professional's workplace to determine the student's interest in pursuing a career in that field.

## CONDUCT, CHARACTER, AND ACCOUNTABILITY

**Standards of Conduct and Christian Character** (II Corinthians 1:12; Colossians 3:17; Romans 12:1-2; Ephesians 5:8-10; Philippians 4:5-9; I Peter 3:15-17):

- ODCS students should be able to identify and work from a Christian perspective on and off campus.
- Student's behavior and lifestyle should be consistent with Biblical teaching and a Christian model.
- In the development of character, ODCS expects students to conduct themselves appropriately and with values such as respect and integrity. If students display unbecoming conduct, discipline will be issued.
- Students should model Christ-like Character by refraining from gossip. Gossip is a sin that can prevent the attainment of the goals of restoration in relationships and unity within the community. Speaking of a conflict without the presence of the individuals directly involved is a clear violation of the Biblical expectation that conflict is handled with humility, quietly, and graciously. Gossip unnecessarily involves people in a dispute that is not theirs and harms the reputation of another without an opportunity for them to explain or defend against allegations. Followers of Jesus must refuse to resort to such sinful, destructive behavior and must refuse to give audience to the sin of others. Parents, grandparents, faculty, staff, and administrators are instructors and role models for the development of Godliness in ODCS students. All are expected to model the Biblical principles of conflict resolution as well as coach and support students in learning to handle conflict in a Biblical manner.

**Student Relationships:** Relationships shall demonstrate common courtesy, openness, friendliness, and a positive attitude. Students should remember that they are always ambassadors of Christ. Students who are not practicing Christian virtues and who demonstrate a consistent negative influence will be reviewed by the administration and may be dismissed. The following are examples;

- Bullying in any form (physical, verbal, written, cyber-bullying, etc.) See Appendix E regarding bullying
- Inappropriate displays of affection include kissing, holding hands, sitting in someone's lap, massaging shoulders, invading others personal space, frontal hugs, etc.
- Sexual impropriety
- Inappropriate utilization of social media. See Appendix F on ODCS's Social Media Policy

**In Loco Parentis:** In loco parentis is Latin for "in place of parents." At ODCS, authority over students is understood as delegated authority. During the school day and in all school-sponsored events, the faculty and staff of ODCS stand in loco parentis. Scriptures such as Deuteronomy 6:4-7 and Ephesians 6:4 speak to the responsibility of parents for the education of their children. Parents maintain Biblical authority throughout the duration of their child's enrollment at ODCS. Parents enter into a relationship with the school based on trust in the

assistance of ODCS for Christ-centered education from a Biblical worldview in a community striving for the glory of God.

### **Character Accountability:**

Character Accountability reports are used as a tool to help ODCS partner with parents in equipping students to develop character. Demerits are used for behavior events, with the goal to guide students to better character. Demerits are received based on the behavior reported and will be tracked in the FACTS system by teachers and administration and available for parents in their FACTS portal.

### **Respect for Property:**

- Students are expected to demonstrate good stewardship by properly using and caring for the equipment and materials God has provided the school; When irresponsible student behavior results in the loss of school materials or equipment, disciplinary action may occur.
- Keeping the school clean is a corporate effort and students should exemplify a servant's heart by taking responsibility for caring for not only personal belongings but also by keeping all areas of the school facility clean and free of trash and debris.

All ODCS property and facilities (including furniture, fixtures, and equipment as well as any rented or leased property from any entity) are holy and set apart to worship God. (Colossians 3:17) ODCS facilities are consecrated to our religious ministry and mission because they are a provision from God. Use of ODCS property shall be for the propagation of the Christian faith, for fellowship, witnessing, religious teaching, and charity; therefore, all use and occupancy of ODCS property shall be limited to and upon condition of furtherance of our mission to provide a Christ-centered educational environment that equips students to develop character, demonstrate competence and discover their calling, as well as related religious purposes. All activities on school property must cohere with the religious purpose of ODCS and further its Christian mission, whether the activity has an overt liturgical religious purpose (preaching, worship services, Bible instruction, communion, baptism) or a non-liturgical religious purpose (social service, mentorship, community service, benevolence, charity, schools, sports). ODCS conducts all activities in order to advance or express its Christian mission, message and viewpoint. School facility use shall be exclusively conditioned on whether the use promotes ODCS' mission, message and viewpoint, as all facility usage is an opportunity to glorify God. In addition, school property is exclusively reserved for persons and organizations who agree to abide by ODCS' policies. Likewise, ODCS facilities are not generally open to the public and may not be used by persons or groups holding, advancing, or advocating beliefs that conflict with ODCS's faith or moral teachings – including but not limited to those enumerated in ODCS's Statement of Faith. Any facilities that are made available to approved applicants for usage are meant to further ODCS' calling to minister to others, for charity and witnessing to our faith. For this reason, ODCS property cannot be used for purposes that contradict the school's beliefs. (2 Corinthians 6:3; and 14; 1 Thessalonians 5:22) School property issues or disputes are directly related to religious doctrine and practice, as all facilities are utilized in a manner to advance or express ODCS' Christian mission, message, and viewpoint. (Colossians 3:17) In the event that school facility use departs in any way from ODCS' policies, ODCS's School Board and OSBC Pastoral Leadership shall exclusively resolve any disputes. The School Board and OSBC Pastoral Leadership may make inquiry into the religious law and usage of ODCS facilities. ODCS reserves the right to accept or deny any applicants who seek to utilize or reserve ODCS facilities.

### **Discipline (Romans 13:1-2; Proverbs 19:18, 22:6, 23:13; Matthew 18:15-20):**

- Biblically, parents are the primary discipline providers for their children; ODCS also expects parents to support the school in all disciplinary procedures. Parents should monitor behavior reports available online.
- Parents and students agree to uphold the mission and policies of ODCS, therefore, students are under the school's authority.
- When disciplinary action is required by the administration, the situation will be evaluated based on four principles of Scripture and the four types of people represented in the book of Proverbs: the wise, the naïve, the fool, and the scoffer:
  - o **The Wise:** These are individuals who cherish wisdom and who desire to live in accordance with the will of God. This is seen in their desire to submit to the authority over them. A wise person will appreciate counsel and learn from their mistakes (*Proverbs 19:20*).

- o **The Naïve:** These are individuals who make unwise decisions but have no malicious motives. They are often students “caught up” in an action without an intentional desire to do wrong. These students may face stronger discipline than counseling, but they will learn so that the offense does not reoccur (*Proverbs 14:15*).
- o **The Fool:** These are individuals who know right from wrong and intentionally choose to do wrong. The fool is usually acting out of a rebellious spirit yet can be restored through discipline that leads to repentance. These students will face punishment that is intended to lead to repentance and restoration (*Proverbs 14:9*).
- o **The Scoffer:** These are individuals who are not only rebellious but have an unteachable spirit and show no desire to repent. Because scoffers are characterized by a spirit of defiance, they will not function well at ODCS. Scoffers may face long-term suspension and/or dismissal (*Proverbs 15:12 & 22:10*).
- In grades K-12, disciplinary action might include such things as demerits, detention, loss of privileges, suspension, or dismissal.
- Enrollment plays a critical role in the culture and traditions of ODCS by cultivating and transmitting shared ideals and beliefs in our community. ODCS reserves the right to meet with, discipline, or ask a student to withdraw for any reason, including failure to abide by ODCS’ Statement of Faith or other policies. Failure to comply with school policies may subject the student to disciplinary action, up to and including expulsion.

**Elementary Discipline:** Operating on the Biblical principle that every behavior results in a blessing or consequence, each elementary classroom teacher implements a behavior plan for their class. Students have the opportunity to earn rewards, which encourages appropriate behavior. Alternatively, students are issued demerits which result in consequences such as loss of privileges which may include loss of recess time, lunch detention, or removal from an enrichment class for unbecoming conduct. Infractions of a more serious nature may result in a parent/teacher or parent/ administration conference. All elementary classrooms will follow the behavior system below:

- Name on the Board: Warning
- 1st Check Next to Name: Demerit noted in FACTS and note in student planner/folder
- 2nd Check Next to Name: Student will be taken to the office for a conference with the principal and a formal write up in FACTS will be completed by the teacher or principal and emailed to the parent.

## **Secondary Discipline:**

### **Detentions:**

- Detention takes priority over other school activities.
- Students who fail to attend an assigned detention will receive additional consequences.
- Excessive detentions may result in an in-school or out-of-school suspension.
- Behavior detention may also consist of a work detail.

**Suspension and Dismissal:** Suspension and dismissal are the school’s most serious form of discipline.

- All suspensions will be for a minimum of one-day, pending an administrative/faculty review. Each day of Out of School Suspension will be counted as an absence.
  - o The student will be removed from campus and may not return until invited by administration
  - o In-school suspension may be used if the reason for suspension does not warrant removal from school.
  - o The student is further prohibited from attending school activities during suspension.
  - o During out-of-school suspension students will receive a zero for daily assignments and quizzes; major projects and tests will be due the first day back.
- In serious matters where reconciliation is not possible, ODCS will dismiss the student effective immediately.

- o There are times where student actions show they are not a good fit and must be dismissed. Parents are responsible for all fees and tuition.
- o Depending on the reason for dismissal, dismissed students may not attend ODCS activities.

**The following is a partial list of conduct that may result in suspension and/or dismissal:**

- Acts of hatred and racial discrimination (I John 3:15, Gen. 1:27, Col 3:10,11)
- Blatant disrespect of authority (Col. 3:22, Heb. 13:17, Rom. 21:7)
- Bullying (Cyberbullying) (Proverbs 6:16-19, Micah 6:8, John 15:17)
- Criminal activity (Titus 3:1)
- Forging a parent(s)' or teacher's signature and/or committing other forms of fraud (2 Peter 2:1; Proverbs 13:11; 20:17)
- Homosexuality (1 Corinthians 6:9, Romans 1:26-27)
- Illegal drug and alcohol use or possession. As warranted, ODCS may require random drug testing at the parents' expense. (I Corinthians 3:16-17 and Proverbs 20:1)
- Inappropriate use of anger (Ephesians 4:26, James 1:20, I Corinthians 9:27, Titus 2:2)
- Promiscuous behavior (premarital sex, inappropriate use of network sites, sexting, etc.) (I Cor. 6:18-20)
- Repetitive profanity (Exodus 20:7 Colossians 4:6, Ephesians 4:29; 5:4)
- Smoking, including the use or possession of tobacco and electronic cigarette products on campus (I Cor. 3:16-17)
- Pornography (Matt 5:28, Philippians 4:8)
- Willful disobedience of school policies (Hebrews 13:7)
- Non-Biblical gender identity (Genesis 1:27, Genesis 5:2, Mark 10:6)
- Vandalism (Proverbs 25:28)

**Conduct Occurring Off-Campus:** Although ODCS may not be aware of all misconduct occurring off campus (including social media), ODCS reserves the right to take disciplinary action if the circumstances warrant; this includes information and images brought to campus on electronic devices, whether these are registered devices for school use or not. In these situations, parents will be notified of the conduct.

**Student Dress Code:** ODCS expects appearances and demeanor to reflect the mission of ODCS and encourages the personal growth of each student. School administration, faculty, and staff have final authority in dress code decisions. For specific dress code requirements, see Appendix D.

**Sexual Harassment Policy:** Sexual harassment includes any unwelcome sexual advances, requests for sexual favors, and other verbal, written, physical, or visual conduct of a sexual nature, including social media. Sexual harassment also includes activities such as engaging in sexually-oriented conversations for purposes of personal sexual gratification

- ODCS expects parental and student support in its efforts to address and prevent sexual harassment and sexual abuse.
- Individuals who have a complaint alleging sexual harassment should report it to a staff member immediately.

**Bullying:** ODCS believes that God created everyone in His image and for a purpose. Therefore, bullying is explained to students as a sin against God and others and those who participate in bullying will be disciplined. Bullying activity should be reported to the administration. For the school's definition of bullying, including cyberbullying, see Appendix E.

## GENERAL ATTENDANCE POLICIES

Absence from school significantly hinders a student's ability to keep up with coursework and mastery of grade-level concepts. For any absences, written notification is required. The administration will schedule a parent conference if a student has excessive absences and tardies to discuss the consequences of poor attendance. It is the responsibility of the parent/guardian to inform the main office if a student is going to be absent or tardy; email [admin@opendoorgraham.com](mailto:admin@opendoorgraham.com). An absence is any time away from school for any reason other than a school

activity. Any students participating in ODCS activities (academic, athletic, fine arts, or field trips) that require the students to miss any part of a school day will not be counted as an absence. The sponsor of the activity is responsible for providing a list of students to the school office to ensure proper attendance coding.

## **Elementary Attendance Policies**

### **Absences:**

- Attendance is taken daily
- Teachers should be notified of any planned absences
- A student must be present prior to 10:00 am to be counted present.
- Students are required to attend school and promotion to the next grade level requires passing grades and attending classes at least ninety percent of the school year;
  - Absences exceeding ten percent will require administrative approval to be promoted to the next grade level
- If a student has more than six absences in a semester or more than twelve in a school year, a parent/administrator conference may be called to determine the issues of the excessive absences

### **Make-Up Policy for Absences:**

- Students have one day for every day absent to make up work
- For extended absences (3 or more days), parents are responsible for contacting the individual teachers to request make-up work when they return

### **Tardies:**

- If a student is late, the parent must sign their child in at the **ODCS office**.
- To protect the integrity of the secure classroom and the educational environment for all students, parents may not walk their children to the classroom if they are late.
- Once a student has been tardy more than 7 times, parents may be required to meet with administration to discuss the action to be taken.

## **Secondary Attendance Policies**

### **Absences:**

- Attendance is taken each morning.
- Students are required to attend classes at least ninety percent of each semester; attending less than ninety percent may require a subject-specific research assignment or test in order to receive credit.
- If a middle school or high school student has more than six absences in a semester or more than twelve in a school year, a parent/administrator conference may be called to determine the issues of the excessive absences

### **Make-Up Policy for Absences:**

- Students have one day for every day absent to make up work
- For extended absences (3 or more days), parents are responsible for contacting the individual teachers to request make-up work when they return

### **Tardies:**

- In order to receive course credit, a student can have no more than 12 unexcused tardies per semester and 24 total unexcused tardies for the year; having more than 12/24 tardies will result in a subject-specific research assignment or test
- Students are counted as tardy for being late to any of their classes
- Students tardy to school must sign in at the school office and bring an admittance slip to class
- Five unexcused tardies in a semester will equal a detention.

## SAFETY AND SECURITY

**Emergency Drills:** The objective of the ODCS Safety and Security Guideline is to provide maximum practical protection for students and school personnel in the event of an emergency. To meet this objective, we will instruct and prepare students and staff in the appropriate and safe procedures to follow in the event of a campus crisis through staff in-service and student drills. Since no two emergencies will be the same in nature, scope, or magnitude, it is necessary for the school's plan to be basic and flexible.

**Drills that ODCS conduct are:**

- Fire
- Tornado
- Lockdown

**Weapons on Campus:**

- ODCS prohibits all weapons (knives, guns, or any other item that can be used as a weapon) on school property and/or any school activities held off campus except for approved peace officers.
- Any student in possession of a weapon will face disciplinary action that may include school suspension, dismissal, and/or criminal prosecution; any adult in possession of a weapon may be subject to criminal prosecution.
- Anyone who becomes aware of a weapon brought on school property, or at any school-sponsored activity should immediately report to administration. Generally, students and parents should not attempt to disarm/engage or pick up/ transport the weapon.

**Closed Campus: ODCS operates a closed campus**

- Students cannot leave school without significant reason, written permission from a parent, and approval from the school office. Even if the regular school day has not started, or a student has not yet attended class, once on campus, a student may, only after signing out with the front desk, leave with written permission from a parent at [admin@opendoorgraham.com](mailto:admin@opendoorgraham.com).
- Students are expected to use our vendor program or bring a lunch
- Parents may bring lunch and eat with their child according to these guidelines:
  - If a parent wishes to check out their child for lunch, the parent must pick their child up, even if the student is a driver;
  - Lunch deliveries are permitted but only up to the time when your student is at their designated lunch time. Report to the ODCS office when delivering your child's lunch and it will be delivered to them;
  - Visitors (which include parents and siblings) must report to the school office;
  - To provide a safe campus environment, visitors at student lunches will be restricted to family members, school mentors, and local pastors;
- Parents must sign their student(s) in and out with the front desk if arrival or departure varies from the regular school hours;
- Students returning to campus after signing out must sign back in with the Administrative Assistant and should provide written verification of their absence, i.e., physician, dentist, counselor, physical therapist, etc.

**Student Drop-Off and Pick-Up:** ODCS provides supervised drop-off and pick-up at the times and places designated below. All other entries to ODCS during the school day will occur at the main school office.

- Do not leave a car unattended in drop-off areas and do not park in designated fire lanes.
- Students at school after dismissal time must be under the direct supervision of a parent, coach or teacher.
- For students who must check out early, written notification is required and students will only be released to those on their approved pick-up list.

See Appendix H-K for the drop-off and pick-up maps

**Student Vehicles:**

- In order to drive onto campus, students must have a current driver's license, vehicle insurance, and registration. This information needs to be presented at the office prior to school starting.
- All vehicles are to be properly parked in an assigned parking lot. ODCS assumes no liability or responsibility for any vehicle on campus property.
- Inappropriate use of a vehicle may result in loss of vehicle privileges or other disciplinary action and/or suspension.
- The speed limit on the school premises should not exceed 10 miles per hour; fines may be issued.
- ODCS will provide Verification of Enrollment and Attendance Forms (VOE) upon request.

**Emergency Vehicles:** Fire and emergency codes mandate that cars not be parked and left unattended in fire lanes.

**Weather/Emergency Closing:** ODCS monitors weather and other emergency situations that potentially lead to temporary campus closures. In the event of a necessary closure, an ODCS Parent Alert will be sent via FACTS app notification and email.

**Student Property:**

- The school will not assume responsibility for lost or damaged personal property
- Students should not bring prohibited items to school. Unannounced inspections of personal property are permitted by authorized faculty and staff

**Lost and Found:** Items left in public areas will be placed in the ODCS office.

## CO-CURRICULAR ACTIVITIES

**Off-Campus Activities:** When ODCS sponsors an off-campus activity, that activity becomes an extension of the school. As such, school rules of conduct, discipline, and dress code will apply. Activities must be chaperoned by school personnel. Field trips and mission trips require a signed Permission and Release of Liability to be on file before a student is allowed to leave campus for a trip.

**Class Attendance:** Students must attend at least three hours of class time to participate in co-curricular activities for that day. In the event of missing a full day of school for a co-curricular activity, the student must be present the day prior to the event.

**Academic Eligibility:** All academic eligibility is monitored; complete eligibility guidelines are located in the 'Secondary Grading Policies' section.

## CLASS AND PRIVATE PARTIES

**School Parties:** All class parties need prior approval. Party sign-ups will take place at Meet the Teacher.

**Private Parties:** Invitations to private parties may be distributed at school if they include everyone in the class, or if a gender-specific party, if all the boys or girls of the class are invited.

## ATHLETICS

All athletes are under the direction of ODCS administration. All rules and policies must be acknowledged upon entering the program. ODCS currently offers the following sports for JH and HS:

	Volleyball	Football (6th-8th)
	Cross Country	Cross Country
	Basketball	Basketball
<b>Winter</b>	Golf	Golf
<b>Spring</b>	Track and Field	Track and Field

The ODCS athletic fee is not included in the total cost of attendance. ODCS will allow sports only if there is enough interest.

**Participation and School Spirit:** ODCS encourages all junior high and high school students to participate in Lions' athletics. Participation builds school spirit and develops character; each student is encouraged to play multiple sports. Prior to participating, middle school and high school families must complete the required athletic packet, which includes the following items:

- ODCS Athletic Policy Form
- ODCS Athletes Waiver
- Uniform Policy and Agreement Form
- FBC Waiver
- Van Permission Form
- Physical

Athletic participation is also dependent upon meeting the following eligibility guidelines:

- All participants in athletics must be enrolled at ODCS for the applicable school year.
- All participants must be in good standing with the school and in good standing according to the Academic Eligibility Guidelines.
- Students wishing to play a sport are required to join and participate by the first practice. Students joining late are required to get approval from the coach and Athletic Director.
- ODCS limits girls to girl sports and boys to boy sports; however JH Soccer is Co-Ed.
- ODCS will allow approved homeschool participants based on administration approval.

### **Behavior:**

- Respect all players, coaches, and fans.
- Respect officials. This includes accepting their decisions during competition.
- Respect coaches and team guidelines, this includes tardiness, wearing of equipment, position changes, etc.
- Student-athletes are required to wear the designated athletic uniform, including in practice. Altering game or practice uniforms is not allowed.
- Any player receiving an unsportsmanlike conduct penalty, technical foul, etc., may be removed for the remainder of the contest.
- Negative behavior is a direct reflection on the school, team, and coaches and will not be tolerated. Any student in violation of these behaviors may be subject to disciplinary action including possible suspension.
- Any fees associated with an ejection will be the responsibility of the player.
- Athletes serving a suspension are ineligible to participate during the suspension. Administration will determine the duration of ineligibility on a case-by-case basis.

### **School and Practice Attendance:**

- Athletes are expected to have a good attendance record.
  - Unless absent from school, team members are expected to attend all practices and games.

- Repeatedly missing practice harms the team and may affect playing time and position.
- The coach should be contacted prior to an athlete missing practice.
- Students must attend at least three hours of the academic day to participate in co-curricular activities for that day. In the event of missing a full day of school for a co-curricular activity, the student must be present the day prior to the event.
- Any student who leaves school due to illness is not eligible for participation that day.
- Excessive absences may prevent participation in athletic events.
- Athletes with an absence from a practice or game may be subject to make-up workouts.
- Detention will count as an absence from practice on that day; students must serve detention as assigned.

#### **Athletic Facilities and Equipment:**

- Students will not be permitted to use facilities without authorized supervision.
- Students should clean up their areas after practice and games.
- Athletes are financially responsible for all equipment issued to them and it must be returned at the end of the season.
- Game uniforms are required to be returned in the same condition they were checked out in. The student's family is responsible for replacing lost or damaged uniforms and equipment.

#### **Transportation:**

- ODCS strives to provide transportation to all away competitions but in the event that transportation cannot be provided, the parent(s) will be responsible for transportation.
- Typically student-athletes will travel to and from events with their team. A head coach may allow student athletes to be signed out to go home with parents on a case-by-case basis.
- Student handbook standards for student conduct and dress code will apply during competition and travel.
- Students are responsible for cleaning the vehicle at the end of each trip and should be cleared to leave following the coaches' inspection.
- Food and drink in the vehicles are at the discretion of the driver.
- Boys and girls will not sit side-by-side on trips.

#### **Multi-Sport Participation:**

- Students will be allowed to participate in multiple sports according to the following:
  - Remain academically successful
  - Remain loyal and committed to the primary team until the season's end
  - Complete the current season sport before participating in the next season's sport
- ODCS sports teams will have priority over any non-school teams.

**Quitting and Dismissal:** Due to the serious implications of quitting or being removed from a team, players will not be allowed back on that team or with the next sport without both head coaches and Athletic Director's approval.

## **ATHLETIC CODE FOR PARENTS**

Attendance and support is deeply appreciated. Please remember that spectators also represent ODCS. In the interest of good sportsmanship and positive Christian testimony, spectators, along with students, should abide by the following:

- Dress appropriately and act responsibly
- Make a commitment to honor God in conduct and language
- Give praise and positive recognition to Lions athletes
- Let the coach instruct the players, don't give instructions to the athletes during the game
- Parents are not permitted to approach athletes during competition unless they have experienced an injury
- Cheer for ODCS, not against the other team
- Be respectful of officials
- Refrain from approaching an official before or after a game for any reason

- Never approach parents, players, etc. from an opposing school with negative or corrective comments; any comment made to the other school should be positive
- Any parent who is asked to leave or is removed from any athletic contest will have to meet with administration before being allowed to attend any other athletic contests

## CONFLICT RESOLUTION

By keeping lines of communication open between parents and coaches, many potential problems can be avoided. This begins with clear communication from the coaching staff to the parents and the students. The following guidelines are in place to help resolve conflict. The goal is to uphold the dignity of the athletes, parents, and coaches.

This is the desired order of communication:

1. Athlete communicates directly with the head coach, when appropriate
2. Parents communicate with the coach by appointment
3. Parents communicate with Athletic Director by appointment
4. Parents communicate with the Principal by appointment

Do not approach your athlete's coach about a problem or issue immediately before or after a contest or practice. Meetings of this nature rarely promote a resolution. Schedule a time to meet, which allows for consideration of the issue and prayer, so a rational, facts-oriented discussion can take place.
